## **Praise God for**

The number of people who have stepped up, ready to run errands for, make calls to and generally keep in touch with people in our community who might be in need of extra support, or to simply check in and say hello!

Our techies – our IT people – who have done an amazing job and put in a lot of time and effort to enable both online communications and our Diamo Online Sunday Services.

The number of people who tuned in and watched and

commented so positively in the 'chat' before, during and after the service.

Cheryl Hall is giving Praise to God for the provision of employment study opportunities he has provided for our family.

## **Join us in praying together – Let us know of your prayer needs.**

Marion Provan is suffering pain and needing a shoulder reconstruction. Pray that her Wednesday appointment goes ahead; and for her wellbeing, having another procedure on Thursday.

Muna would like your prayers for her and Makayla's welfare and health.

Rosemary & Warren Shell would like prayer for their son-in-law (Tim) who is stuck in Vietnam. His 3 month contract had finished and his work visa has expired. The Vietnamese Govt are not extending any work visas. He's the only guest in a hotel that is about to close any day because of the virus. Apparently, he's not allowed back in Australia and may have to camp out at the Australian Embassy.

Hall family Praying for Gods enabling and His protection for family members and that we don't contract or carry this virus to harm others.

Pray for Anthony who gave his life to Jesus on Friday with the help of a Gideon Bible. His work boss, Jim, is a Christian. They were working on Andrew Brailey's side fence.

"Rainy girl made some God's eyes and thank you cards to give to the hard-working register operators at the supermarket.

She gave out one this morning to a young gent and his reaction was quite unexpected. He stopped and read the card, grinning from ear to ear and said he was so thankful and was

"going to show it to everyone".

Our ♥s are full!"

From someone helping an elderly neighbour:

"While shopping for an elderly neighbour, I found the only available brand of cheese she wanted was

very expensive and way out of budget. I explained the situation and asked the sales assistant if there was any of the cheaper brand available. She replied "No" and proceeded to take the \$12.00+ block of cheese and mark it down to \$3.00 so my elderly neighbour wouldn't miss out!"
