

SO HOW DO I ACCESS THE SUNDAY SERVICE?

First go to the DVBC website and select Diamo Online from the Top Menu

This will take you to dvbc.online.church which will allow everyone to view the service at the same time as if we were all there together

You will also be able to chat. this will allow you to talk with everyone else watching at the same time All you have to do to chat is choose a name, then type you msg in the txt box There is also a bible tab which will allow you to look up passages from the bible. There is also a request pray button. This will allow you to send in a prayer request to the DVBC prayer team.

Please note this is designed to be watched live so if you arrive 10 min late it will be 10 min into the video, and you won't be able to pause it. But you always have the option of selecting the video archive button at the top of the screen to re-watch anything you have missed.
